

**MEMBERSHIP  AVANT-GARDE**

**FOUNDING ARTISTS & ENTHUSIASTS IN SUPPORT OF THE NEW HARDESTY ARTS CENTER**

**WHO CAN BE A MEMBER**

Any artist or enthusiast who wishes to support the Arts & Humanities Council of Tulsa's Hardesty Arts Center (AHHA) during the year leading up to opening – May 2011 through Fall 2012.

Membership is time-sensitive. Once the AHHA opens it's too late – membership closes and the opportunity to be an Avant-Garde member ends. **However, once an Avant-Garde member, always an Avant-Garde member!**

You don't have to be a visual artist. Avant-Garde is also open to musicians, dancers, writers, architects, actors, filmmakers, singers – let's just say performance artists of any sort – there's even an enthusiast category.

Our goal is to reach 500 members before we open in fall 2012! At \$50 per membership, that's \$25,000 – enough to equip the 2D studio – with a little to spare! This is going to be BIG!

Besides knowing you are a part of something BIG happening in Tulsa, here's a list of other great benefits:

- One Avant-Garde Membership Card
- Your name permanently displayed as an Avant-Garde member at the AHHA
- First full year membership once the AHHA opens
- Opportunity to network with other artists and enthusiasts
- AND...an opening night event at the AHHA for Avant-Garde members only!
